MEMORANDUM FOR: Leland Rouse, NMSS

FROM: John F. Kendig, SLITP/CFA

SUBJECT: CONGRESSIONAL INQUIRY ON ILLINOIS DRAFT AMENDMENT TO ILLINOIS AGREEMENT STATE AGREEMENT

Per your request, attached is a copy of the recent draft amendment to the Illinois Agreement State Agreement.

Regarding the schedule of events, it is anticipated that NRC staff will complete its assessment of the Illinois State staff draft proposed agreement by late October 1988.

The next step in the procedure would be for the staff of the State of Illinois to prepare an application, reflecting NRC's staff comments on the earlier draft, for the Governor to officially submit to the NRC.

Upon receipt of the Governor's request a minimum of 90 days is required to process an agreement from time of receipt until the effective date of the agreement. This assumes that all problems identified by NRC staff have been resolved with the State and all materials in the Governor's submittal have been previously reviewed and approved by NRC staff. Additional time may be necessary to resolve public comments on the request or for unforeseen problems.
