Gentlemen:

This refers to your application dated September 6, 1989, requesting renewal of Certificate of Compliance No. 5754 for the Model No. RMG-172 package. Please note that Certificate of Compliance No. 5754 expired on September 30, 1989.

In connection with your request, we need a consolidated application. The consolidated application should include drawings of the package design and information which shows that the package design meets the requirements of 10 CFR Part 71. Preferably, the application should be in the format of Regulatory Guide 7.9. The sections on Operating Procedures and Maintenance Programs should be reviewed to assure that they are complete and current. Note that the Certificate of Compliance may be conditioned to specifically cite the Operating Procedures and Maintenance Programs.

Please advise us within 30 days from the date of this letter if you plan to submit an application for use of this package. If you have any questions regarding this matter, we would be pleased to meet with you and your staff.

Please note that the information specified in 10 CFR §71.13(c) is needed in order to revise the package identification number from Type B() to Type B(U).

Sincerely,

Charles E. MacDonald, Chief
Transportation Branch
Division of Safeguards
and Transportation, NMSS
