Dear Senator Nixon:

Thank you for your letter of November 2, 1989 requesting a copy of the October 24, 1989 hearing transcript in the Combustion Engineering proceeding. Unfortunately, due to restrictions in the agency's funding statute specifically prohibiting the Commission from assisting intervenors by, inter alia, providing them free copies of transcripts, I cannot respond directly to your request.

A copy of the transcript is available for review at the Commission's Local Public Document Room located at:

John M. Olin Library
Washington University
Skinker and Lindell Blvds.
St. Louis, Missouri 63130

To make arrangements to review the transcript at the location above, please contact Bill Olbrich, Government Publications Librarian, at (314) 889-5428. In addition, a copy can be obtained at nominal cost through the NRC Public Document Room located at 2120 M Street, N.W., Washington D.C. 20555. To make arrangements to have a copy sent to you, please call the Public Document Room directly at (202) 634-3273.

I hope the above is of assistance to you.

Sincerely,

Charles Bechhoefer
