RE: Permit No. 352, Potential Bond Reduction for  
Tailings Pond No. 2 Reshaping

Dear Mr. Ferguson:

Your letter of August 15, 1989 accurately summarizes our understanding relative to the bond amount for the Tailings Pond No. 2 Reshaping Phase. Upon completion of this phase of the work, we will release \$470,355.

We would also remind you that all suitable soil materials which may be impacted by the regrading (e.g. the reclaimed area on the east side of the road) must be salvaged and stockpiled.

If you have any questions regarding this matter, please contact Mr. Moxley in the Lander office.

Sincerely,

Roger Shaffer  
Administrator  
Land Quality Division
