

NOV 30 1989

Mr. Larry J. Brewer, CMC
Clerk of Council
One Government Center, Suite 2140
Toledo, Ohio 43604

Dear Mr. Brewer:

I am responding to your letter of November 8, 1989, in which you forwarded for our information a copy of the City of Toledo Council's Resolution No. 250-89. The site is proposed for the location of a facility for low-level radioactive waste disposal as a result of actions by the Midwest Interstate Low-Level Radioactive Waste Commission. Those siting actions to establish additional disposal capacity are required by the Low-Level Radioactive Waste Policy Amendments Act of 1985, which requires States, or groups of States called Compacts, to develop such capacity. Accordingly, I am forwarding a copy of your resolution to:

Gregg Larson, Executive Director
Midwest Interstate Low-Level
Radioactive Waste Commission
350 North Robert Street, Room 588

Sincerely,

(Signed) Robert M. Bernero
