Dear Dr. Clifton:

I have reviewed the monthly status letter report for September 1989, for FIN No. A4176-9, "Control of Engineering Properties of Bituminous Materials Used in Waste Solidification Processes." There are no issues regarding technical and cost information in the report, as there was no activity during this period.

Actions resulting from this letter are considered to be within the scope of the SOW for FIN No. A4176-9. No changes to cost or delivery schedules for any Task Order are authorized by this letter. Please notify me immediately if you feel this letter will result in additional costs or changes in delivery of contracted products.

Sincerely,
