Dear Mr. Matthews:

By your letter dated November 7, 1989, we have received your invitation to comment on draft documents pertinent to DOE's Environmental Restoration and Waste Management Five Year Plan for the UMTRA Project. We find that we are unable to review and comment on these documents due to our higher priority casework. However, we would appreciate receiving a copy of the final plan when it is issued.

Should you have any questions regarding this response, please contact me or Dan Gillen of my staff (FTS 492-0517).
