RE : Application for license to Export Nuclear Material and
Equipment, dated July 12, 1989, Applicants Reference
MBK-T2-R11, NRC's Reference XSNM-2482, As amended by
our letter dated October 13, 1989

Dear Beth:

As per our telephone conversation of today, I am confirming
withdrawal of our above referenced export license application.

This application was mitstakenly accepted as new when in fact
it is a duplication of XSNM-02470, for which we have already
received the export license.

Thank you for your continued cooperation and attention.

Sincerely yours,

Lisa D. Sarauw-Lugo
