Mr. Charles E. MacDonald, Chief
Transportation Branch
Division of Safeguards and Transportation, NMSS
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. MacDonald,

We have received notification from your office dated November 9, 1989 that our current Q.A. Program Approval for Radioactive Material Packages No. 0242 will expire on January 31, 1990. This letter is a formal request for renewal of that approval. In accordance with your letter, attached is a check for the \$150.00 application fee.

Please note the change in Company name from Law Engineering Testing Company to Law Engineering, Inc., and myself as the current By-products Materials Licensing Coordinator. Please address future correspondence accordingly. No other significant changes to the structure of our previously approved Q.A. program pursuant to the requirements of 10 CFR Part 71 have been made.

Sincerely,

David Rumrill
