RE: License #42-02964-01  
Docket #30-06402/89-01

Dear Mr. Beach,

In response to your letter dated November 15, 1989 since to the Iowa Department of Health mailed a copy of the Notice of Late Reciprocity fees to the NRC, I also copied NRC with the response to Iowa. The license number in the letter was in error, it should have been 42-02964-01 (IL).

I am a bit confused as to the contents of the last paragraph of the letter dated November 15, 1989 concerning the lack of response on my part to the NRC to a letter dated August 18, 1989 since our files indicate NRC acknowledgment of my response. See Attachment.

If there is a second letter dated August 18, 1989, please advise since it is not in our files.

Should additional information be required, please advise.

Sincerely,

*Bill Rose*
