Docket No. PRM-35-9
Washington, DC 20555

Dear Mr. Secretary:

As a physician engaged in Nuclear Medicine practice, I wish to strongly endorse the comments of my colleague, Dr. Joseph Hung, in regard to the petition for rule-making filed by the American College of Nuclear Physicians and the Society of Nuclear Medicine. Doctor Hung's thoughtful letter precisely states my own view and I will not be reiterative. I hope these restrictive regulations can be changed.

Respectfully yours,

Colum Gorman
