This request includes all agency records as defined in 10 C.F.R. 9.3a (b) and the NRC Manual, Appendix 0211, Parts 1.A.2 and A.3 (approved October 8, 1980) whether they currently exist in the NRC "official, working", investigative or other files, or at any other location, including private residences.

If any records, as defined in 10 C.F.R. 9.3a(b), and the NRC Manual, supra and covered by this request have been destroyed and/or removed after this request, please provide all surrounding records, including but not limited to a list of all records which have been or are destroyed and/or removed, a description of the action(s) taken relevant to, generated in connection with, and/or issued in order to implement the action(s).

We are requesting this information as part of an ongoing monitoring project of the NRC's efforts to protect public health and safety at and near nuclear processing plants and radioactive waste facilities.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld.
