RESPONSE TO VPMIM DIRECTIVE #E 5

Date: December 6, 1989

Comment Originator: Giorgio Gnugnoli, Project Manager

Organization / Telephone Number: USNRC/NMSS/LLWM/LLOB FTS 492-0578

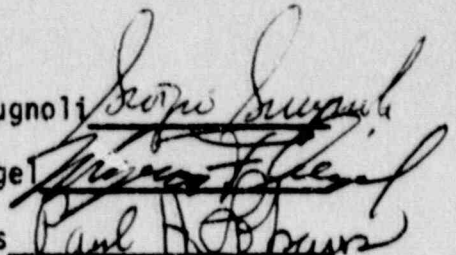

COMMENTS

1. All VP directives requiring NRC concurrence should be provided to both Paul Lohaus in NRC Headquarters in Washington, DC as well as to Ramon Hall of the URFO Denver, Colorado regional office. Your November 20, 1989 transmittal incorrectly designated Giorgio Gnugnoli as the primary addressee. Please make this correction in your records, your staff's records, the TAC records, the RAC records and all other DOE-contractor and subcontractor records. Your pink original "Transmittal of Documents" form was properly transmitted with Paul Lohaus' copy.
2. As presented in your November 20, 1989 transmittal, the NRC staff concurs with the revised VPMIM Directive.

Signature: Giorgio Gnugnoli

Approvals: Myron Fliege
