Attention: D. J. Sreniawski:

Dear Sir:

I am writing in regards to a telephone contact on October 5, 1989 and a letter dated October 23, 1989. At that time it was suggested that we begin logging the specific dates that inspection of field sources were done in order to comply with our license. As NSO I took a physical inventory on October 11, 1989 and recorded that information. I will update this list every six months in order to comply with our license.

If there are any other questions please contact me at (616) 759-5229.

Sincerely,

Tonia Cianci
