

NOTICE OF VIOLATION

St. Raymond Corporation
Pejepscot, Maine 04067

Non-licensee

During an NRC inspection conducted on October 12, 1989, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C (1989), the violation is listed below:

10 CFR 30.3 provides that, except for persons exempt as provided in Parts 30 and 150, no person shall possess byproduct material except as authorized in a specific or general license issued pursuant to the regulations in Chapter I of Part 10 of the Code of Federal Regulations.

Contrary to the above, as of October 12, 1989, and since 1987, St. Raymond has been in possession of byproduct material consisting of 10 millicuries of cesium-137 and was neither authorized to possess byproduct material by a general license or a specific license issued pursuant to the regulations of Chapter I of Part 10 of the Code of Federal Regulations, nor exempt from such a requirement.

No reply to this violation is required and we have no further questions regarding this matter.
