FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-89-432  
Rec'd 10-4-89

Dear Mike Perkins,

This is a freedom of information request for records about steel made by Crucible Steel of Syracuse, New York and sold to the nuclear industry.

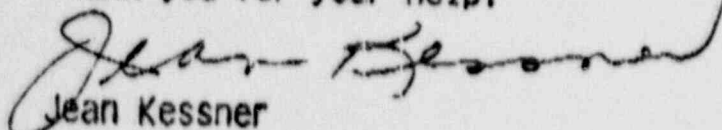

I'd like any and all records regarding an investigation into possible falsified records by Crucible of nuclear grade steel sold to any companies, and in particular to the utilities that operate the three nuclear plants at Nine Mile Point.

I'd like information about Crucible and any problems that may have come up with their products within the industry.

Also, have any steel products from Crucible been part of a bulletin or generic letter from you to the nuclear industry.

If the cost of these records is above fifty dollars, please contact me before filling the request. I can be reached at 315-446-4780.

Thank you for your help.
