Dear John:

Confirming our telephone conversation of August 29, Energy Fuels personnel will meet with representatives of your staff in Silver Spring to discuss a proposed expansion of the White Mesa Uranium Mill. However, if it fits your schedule, we would prefer to make the meeting on September 30, rather than September 29 as agreed. The meeting would still be at 9:00 a.m.

Please let me know if the change of date is not satisfactory. Otherwise, we will assume the meeting will take place on September 30.

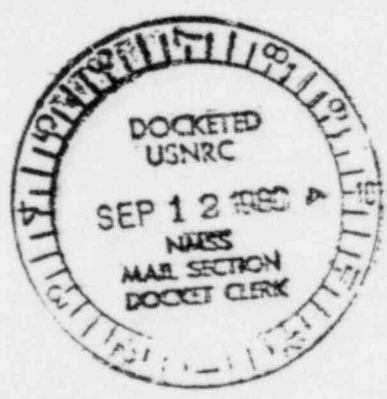

Representing Energy Fuels at the meeting will be Muril Vincelette, Harold Roberts, George Glasier, and the undersigned. Thank you for your cooperation in making these arrangements.

Sincerely yours,

C. E. Baker, Environmental,
Licensing & Safety Director
