Dear Mr. Nosenzo,

I wish to refer to previous correspondence concerning the export of one TRIGA central rod element with adapter and other parts and components to Austria (XCOM0434), to be used at the Atomic Institute of the Austrian Universities.

Upon instructions by the competent authorities in Austria the Embassy is authorized to confirm that the components, referred to above, will not be retransferred without the prior approval of the United States.

An early approval of this application would be highly appreciated.

While thanking you for your cooperation in this matter I remain

sincerely yours
