Dear Mr. Abel:

We have reviewed Mr. People's letter of November 6, 1979 concerning inadvertent safety injection during surveillance testing at Zion Unit Nos. 1 and 2. We find that your response adequately addresses the concerns stated in our September 21, 1979 letter (which enclosed our June 26, 1979 letter) and, therefore, we consider the matter resolved for your facility.

Sincerely,

A handwritten signature in cursive script that reads "Steven A. Varga".
