Dear Sir:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320
TMI-2 Third Quarterly Report - 1980

Enclosed is the TMI-2 Third Quarterly Report for 1980 (July through September) submitted as required by Technical Specification 6.9.1.10. Included is the update of the Radiation Safety Program Report as per Technical Specification 6.9.1.6.

Some confusion has arisen because heretofore, these reports have gone by three (3) numbering systems; the number of the follow-up report, the number of the Quarterly Reports, and the number of the year's calendar quarter. Henceforth, only the latter will be used as only it identifies directly the time period covered.

Sincerely,

G. K. Hovey
Vice-President and
Director, TMI-2
