Transportation Certification Branch
Division of Fuel Cycle and Material Safety
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Docket No: 71-6400

Dear Mr. MacDonald:

Reference is made to your letter of August 29, 1980 wherein you requested seven (7) additional copies of Enclosure II (revised drawing) of our August 15, 1980 letter concerning the Model No. 6400 packaging.

Enclosed are the seven (7) additional copies of Enclosure II as requested. Additionally, PA Operations will, in the future, provide eight (8) copies of all applications and enclosures thereto.

Very truly yours,

MAustin
