Subject: Response to IE Bulletin No. 80-22

NRC License No. 06-07522-05

Dear Mr. Grier:

In response to the actions required in Bulletin 80-22

- 1) Pratt & Whitney Aircraft does not own or operate any Automation Industries source assemblies.
- 2) We will review with our radiographers the importance of making adequate surveys following radiographic procedures.

In regard to the estimation of manpower expended in responding to this bulletin, the following figures are presented:

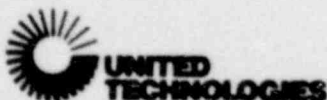

1) Corrective actions; Instruction:	0.25	hours
2) Review and preparation of Report:	<u>1.0</u>	hours
Total	1.25	hours

Sincerely yours,

*Patricia Wawzyniecki*
