IN RESPONSE REFER  
TO FOIA-80-476

Dear Mr. Post:

This is in response to your letter of September 12, 1980 in which you requested, pursuant to the Freedom of Information Act, three categories of documents pertaining to correspondence between General Electric and the Knowles Atomic Plant.

Our search indicates that the NRC has no documents subject to this request. The search was carried out for Knowles Atomic Plant and for the Knolls Atomic Power Laboratory, which we presume to be the correct name of the facility.

We recommend that you direct your request to the Department of Energy (DOE), since the requested documents fall under its jurisdiction. You may write to Mr. Milton Jordan, Director, Division of FOI & PA Activities, Department of Energy, 1000 Independence Avenue, S.W., Washington, DC 20585.

Sincerely,

*J. M. Felton*
