WASHINGTON, D. C. 20545

Honorable Hubert H. Humphrey
United States Senate

Dear Senator Humphrey:

Your letter of May 6, 1971, transmitting an inquiry from Mr. Lynn S. Castner concerning a request by Mr. Steve J. Gadler has been referred to me. Mr. Gadler has petitioned to make a limited appearance before the Atomic Safety and Licensing Board now considering the application of the Consumers Power Company to construct a nuclear power plant (Dockets No. 50-329 and 50-330).

Mr. Arthur Murphy, Professor of Law at Columbia University, is Chairman of this Board and I am enclosing for your information a copy of a letter sent to Mr. Castner by Mr. Murphy with respect to this matter.

Since this is a pending quasi-judicial matter, I am having your letter along with a copy of my reply placed in the Atomic Energy Commission's Public Document Room and I am requesting that our correspondence be made available to the parties in this proceeding.

Sincerely yours,
