In the Matter of
Long Island Lighting Company
(Shoreham Nuclear Power Station, Unit 1)
Docket No. 50-322

Dear Ms. Dempsey:

This is in reply to your letter of August 8, 1980. You requested a copy of the letter from J. P. Novarro to the Staff dated May 29, 1980, which was referred to in my letter of July 31, 1980, to Richard B. Hubbard of MHB Technical Associates. I don't have a copy in my possession. However, I have requested I&E, Region I, to forward you a copy of Mr. Novarro's letter. In the interim, if you need to see a copy of the letter, I think Steve Latham is in possession of one.

Sincerely,

A handwritten signature in cursive script that reads "Bernard M. Bordenick".
