RE: Freedom of Information Request

Dear Sir or Madam:

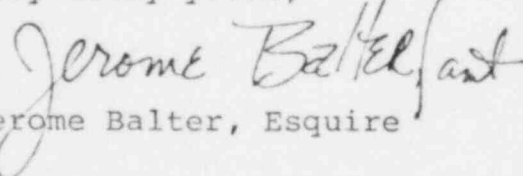

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request access to the following information:

With respect to Three Mile Island Unit #2, we understand that samples of the containment building atmosphere have been made on a regular basis. Please send us a list of all the isotopes found in each of the samples for the period March 1, 1980 to the present date. Indicate whether the material was gaseous or particulate and specify the concentrations of the material.

If this request is denied either in whole or in part, please inform me as to your agency's appeal procedure. If you do not grant my request within ten (10) working days, I will deem my request as having been denied.

The Public Interest Law Center of Philadelphia is a tax-exempt, non-profit corporation. We will appreciate your immediate attention to this matter. Thank you very much.

Very truly yours,

Jerome Balter, Esquire
