Docket No. 50-395

Mr. Arthur Kranish  
Trends Publishing, Inc.  
National Press Building  
Washington, DC 20045

IN RESPONSE REFER  
TO FOIA-80-380

Dear Mr. Kranish:

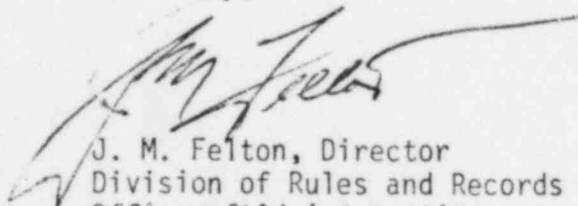

This is in response to your letter dated July 17, 1980 in which you requested, pursuant to the Freedom of Information Act, all documents relating to seismic activity at the Summer Nuclear Power facility operated by the South Carolina Electric and Gas Company for the period 1978 to present.

All documents relating to seismic activity, with the exception of the two documents listed below, are contained in the Summer Nuclear Station docket file at the NRC Public Document Room (PDR), located at 1717 H Street, N.W., Washington, DC.

1. Technical Report 79-4, Seismic Activity Near the V.C. Summer Nuclear Station, for the period October - December 1979.
2. September 17, 1979, Standard Order for DOE work.

A copy of these documents is being placed in the PDR for public inspection and copying.

Sincerely,

  
J. M. Felton, Director  
Division of Rules and Records  
Office of Administration

FOIA Request

Dear Sir:

Under the terms of the Freedom of Information Act I hereby request access or copies of all reports, memoranda, documents and other records, in draft or final form, relating to seismic activity at the site of the Sumner nuclear power facility operated by the South Carolina Electric and Gas Company, for the period 1978-present.

Since the material is being requested for news-gathering purposes, in the public interest, I request that any fees be waived. Should any of the requested material be denied in whole or in part, kindly specify and index such material, and provide the name(s) of the official(s) responsible.

Cordially,

A. Kranish, Editor
