Re: License No. 12-11702-01

Dear Sir:

During the recent routine inspection of our facilities by your Region III, Compliance Division it was noted that our company had inadvertently failed to comply with Section 10 CFR 20.407, Title 10, Code of Federal Regulations.

In this regard, please find attached completed forms (your suggested format) for the reporting of recorded personnel whole body exposures for the calendar year of 1978 and 1979.

We wish to apologize for the tardiness of these reports. To preclude occurrences of this nature in the future we have added a recognized Health Physicist to our staff who is familiar with all applicable regulations. He will monitor our activities on a regular basis and see that all such items are reported on a timely basis.

Very truly yours,

Donald G. Gammie, President
