DOCKET NO. 50-286

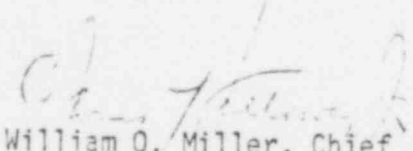

Power Authority of the State of New York  
ATTN: Mr. Paul J. Early  
Assistant Chief Engineer - Projects  
10 Columbus Circle  
New York, New York 10019

Gentlemen:

The Commission's Office of the Controller has been authorized to refund the Class III (\$4,000) license amendment fee for Indian Point 3 Nuclear Power Plant which was sent with your application dated March 25, 1980. The refund will be sent to you within approximately two weeks.

The above refund has been authorized because we have determined that an exemption pursuant to 10 CFR 170.11(b) from the fee requirements of 10 CFR 170 for certain fire protection Technical Specification changes (such as your March 25 change) is authorized by law and is otherwise in the public interest.

Sincerely,

*for*
