Dear Mr. Beebe:

Reference letter dated August 25, 1980 from Mr. R. A. Hartfield to Mr. F. L. Clayton, Jr.

As requested in Mr. Hartfield's letter the draft summary of radioactive effluents released from the Joseph M. Farley Nuclear Plant during 1978 has been reviewed. Corrections have been made on the original data printouts on pages 1, 3, 4, and 7 which are enclosed. Page numbers were added to each sheet as an aid in locating the corrections.

If you have any questions, please let us know.

Yours very truly,

F. L. Clayton, Jr.
