Docket No. 50-302

Mr. Michael S. Givel
218 N.W. 12th Terrace
Gainesville, FL 32601

IN RESPONSE REFER
TO FOIA-80-401

Dear Mr. Givel:

This is in further response to your letter of July 31, 1980 and your subsequent letter of August 25, 1980, in which you requested, pursuant to the Freedom of Information Act, copies of documents pertaining to Florida Power Corporation's weld chemistry on Crystal River 3 as surveyed by Babcock & Wilcox Corporation.

Please find enclosed the documents listed on Appendix A. An additional document, discussed in both of the enclosures, contains information which the licensee considers confidential business (proprietary) information. We have asked the originators of this information to review their proprietary claim, and will let you know as soon as possible whether the document, or any portions thereof, may be disclosed to the public.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated

8009240 606

APPENDIX A

1. August 30, 1977 Letter to Robert W. Reid from W. P. Stewart, with attachment (9 pages)
2. December 7, 1977 Letter to Florida Power Corporation from Robert W. Reid (2 pages)

FREEDOM OF INFORMATION
ACT REQUEST

FOIA-80-401
Rec'd 8-5-80

Dear Mr. Fenton:

In light of the fact that the following information is not available in the (IPDR) at Crystal River Public Library in Crystal River, Florida and pursuant to 5 U.S. Codes, Section 552, The Freedom of Information Act, I formally request the following information.

1. A list of unplanned gas releases for Crystal River # 3 since it went on line in 1977 by date, cause, and amount released.
2. A copy of all information in Docket 50-502, File 3-0-3-a-3, 9-7-77, regarding weld materials and the reactor vessel.
3. The calibration (rate measured by), the number and distance from, what it measures, and whether measurements are averaged or extrapolated (if there are more than one), of radiation monitors at the Reactor Building Vent at Crystal River #3.
4. A list of all studied or proposed sites or locations for Low Level Waste Disposal in Florida.

I expect a reply within ten working days. Because this request is in the public interest, I hereby request a fee waiver.

Sincerely,

Michael S. Givel
