Docket No. 70-2554

JUL 30 1980

The Valley Hospital
ATTN: Mr. Quinton J. Friesen
Assistant Director
Ridgewood, New Jersey 07451

Gentlemen:

Subject: Inspection 80-01

This refers to the special inspection conducted by Mr. C. Stearns of this office on June 20, 1980 of activities authorized by NRC License No. SNM-1725 and to the discussions of our findings held by Mr. Stearns with yourself at the conclusion of the inspection.

With respect to License No. SNM-1725, the inspection was limited to discussions of your plans for future activities authorized by this license. From these discussions it is our understanding that this license is presently inactive. We also understand that you do not plan any use in the near future. If these understandings are incorrect please inform us.

Our inspector also verified the steps you have taken to correct the items of noncompliance brought to your attention in the enclosure to our letter dated March 8, 1978. We have no further questions regarding your action at this time.

Within the scope of this inspection, no items of noncompliance were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

John B. Kinneman, Chief
Materials Radiological Protection
Section
