Re: Subpoenas

Dear Chairman Smith:

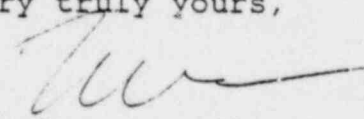

Please issue an additional subpoenas ducus tecum as follows:

David Good to bring with him the computer summary "Corrective Maintenance Component History Report", given in response to TMIA interrogatory 5-6 and the computer report provided in response to TMIA interrogatory 7-7.

The exclusion of this request was an oversight on TMIA's part.

Since the report is already in existence, TMIA does not anticipate that Licensee will have any problems producing this document.

Very truly yours,

Theodore A. Adler
