Dear Mr. Olesen:

Pursuant to the conversation between Mr. Desrosiers, Mr. Ramos and myself on September 4, 1980, regarding Mr. Desrosiers attendance at the IAEA International Conference on Current Nuclear Power Plant Safety Issues, Stockholm, Sweden, October 20 - 24, 1980, we have no objection to his participation. However, he is not to represent the U. S. NRC in any capacity. Further as agreed, the NRC would fund his salary during the trip, providing a trip report covering the conference discussions on emergency preparedness, Mr. Desrosiers presentation, and any other pertinent information on Foreign Emergency Preparedness issues are provided.

Please call Mr. Steve Ramos (301/492-8119) for any questions.

Sincerely,

A handwritten signature in cursive script that reads "Brian K. Grimes".
