Mr. Victor Stello, Director
Office of Inspection and Enforcement
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Vic:

I am delighted that you have received the Presidential Rank Award as a Meritorious recipient. It is a great and well-deserved honor, a personal tribute to you that also brings honor to the agency. I take considerable satisfaction myself in this award to a friend and colleague.

I know Esther and the children are very proud of you--and so am I and all the rest of us.

Well done, Vic. My profound congratulations.

Sincerely,
