Gentlemen:

Amendment No. 13 to License SNM-1168 was issued on July 1, 1980, in response to your January 9, 1980 application for amendment. A minor amendment fee of \$1,400 was paid for review and approval of the request.

In accordance with Footnotes 1(d) and 4 of the enclosed 10 CFR 170, we have reviewed the manpower expenditures required for the review of the subject application for amendment, and the actual review cost is \$2,356. Since the maximum fee for a minor safety and environmental amendment in fee Category 1B is \$1,400, no additional fee is required.

Sincerely,

William O. Miller
