U. S. Nuclear Regulatory  
Commission  
Office of Nuclear Reactor  
Regulation  
Washington, D.C. 20555

DOCKET NUMBER  
PROPOSED RULE PR 50,51,100 (2)  
(45 FR 50350)

RE: State Identifier No. OSRC-FY-81-317 Modification of the policy and  
Regulatory Practice Governing the  
Siting of Nuclear Power Reactors  
Dear Mr. Chilk:

The New Jersey State Clearinghouse has received and is processing your Project Notification as required by the provisions of the U. S. Office of Management and Budget Circular A-95 Revised and Chapter 85, New Jersey Laws of 1944. This project has been designated OSRC-FY-81-317.

The State Clearinghouse has assigned a 30 day review period effective with the date of this letter. This review period is consistent with our internal procedures and federal regulations relevant to your program. The appropriate state agencies have been requested to comment on your application, while the State Clearinghouse will perform its own review. If comments are received and any conflicts or issues arise, the Clearinghouse will notify you. It may be necessary to request additional information and/or to schedule a conference in order to resolve the issues prior to clearance; otherwise you are cleared at the end of the review period to forward your final application to the federal funding agency, accompanied by a copy of this letter. It is the responsibility of the applicant to attach any comments to the application forwarded to the federal agency.

Please feel free to call upon the State Clearinghouse at any time to assist you with any problems or questions you may have with the A-95 review procedure.

Very truly yours,

Richard A. Ginman  
State Review Coordinator

L-4-1, 1750

NOTE: Please place your State Identifier Number on all further correspondence and application forms (424) so that the Clearinghouse may more efficiently process this application.
