POOR ORIGINAL

Dear Mr. Thomas:

This refers to your letter dated October 24, 1963, commenting upon the application dated June 30, 1963 from the Commonwealth Edison Company.

We have reviewed the comments attached to your letter and have discussed them in detail at meetings with Mr. Brooks Payne and Mr. Edward Legan of the Washington Headquarters of the IBEW. We have also reviewed the matter in discussions with representatives of the Commonwealth Edison Company.

We have issued to the Commonwealth Edison Company an authorization to take credit for the use of respiratory equipment under the provisions of Section 20.103, 10 CFR 20, in accordance with the procedures described by the Company in the Company's application as modified in the annex to the attached letter.

The authorization applies only to the forthcoming Dresden refueling.

Sincerely yours,

Robert Lowenstein, Director
Division of Licensing & Regulation

CC: Mr. D. Robert Bower
Treasurer
Commonwealth Edison Company
