Commonwealth Edison Company
ATTN: Mr. L. D. Butterfield, Jr.
Nuclear Licensing Administrator
Post Office Box 767
Chicago, Illinois 60690

Gentlemen:

On March 12, 1973, we issued Change No. 22 to License No. DPR-2 to you authorizing a higher maximum water temperature in the isolation condenser for Dresden Unit 1. This is to request that you redesignate your copy of this change as Change No. 24 inasmuch as Change No. 22 was issued by us on April 5, 1971, and Change No. 23 was issued on September 8, 1971. Our records are being corrected accordingly. We regret this error.

Sincerely,

Dennis L. Ziemann, Chief
