COMMISSION
CORRESPONDENCE

Dr. Glenn G. Sherwood
Manager, Nuclear Safety and Licensing
Operations
Nuclear Power Systems Division
General Electric Company
175 Curtner Avenue
San Jose, California 95125

Dear Glenn:

I appreciated the visit and tour at the San Jose facilities very much. The talks were good, the facilities are most impressive, and the work looks to be first-class.

Please relay my thanks to Dan Wilkins, Jack Williams, Dale Tibbles, and the others who helped out. My special thanks to you for guiding me all around and to Bob Ketchell for conceiving the trip. It was most enjoyable.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. Hendrie".

Joseph M. Hendrie
Commissioner
