Attn: Mr. Philip Linderstruth, WH 553
401 M Street S.W.
Washington, D. C. 20460

Gentlemen:

Subject: Interagency Agreement Number NRC 10-80-713

Pursuant to the Economy Act of 1932, the U.S. Nuclear Regulatory Commission (NRC) and the U.S. Environmental Protection Agency (EPA) wish to enter into an interagency agreement whereby EPA shall provide to NRC access to the U.S. Environmental Protection Agency's Storage and Retrieval System (STORET). As further stated, the purpose of this interagency agreement is to make the U.S. Environmental Protection Agency's Storage and Retrieval System for Water Data (STORET) accessible to the U.S. Nuclear Regulatory Commission.

ARTICLE I - SCOPE OF WORK

- 1.1 EPA shall provide system access for data retrieval purposes.
- 1.2 Provide turnaround time of two hours in an interactive batch mode and CPU time between 12-15 seconds per system per week, with remote printout less than one inch of paper.

ARTICLE II - PERIOD OF PERFORMANCE

This agreement will commence upon date of execution and expire on 30 September 1981.

ARTICLE III - OPTION TO EXTEND THE TERM OF THE CONTRACT

This interagency agreement is renewable for a one year period, at the option of the NRC, by the Contracting Officer giving written notice of renewal to the Contractor by the first day of each fiscal year or within 30 days after funds for that fiscal year become available, whichever date is the later; provided that the Contracting Officer shall have given preliminary notice of the Government's intention to renew at least 30 days before this contract is to expire. Such a preliminary notice shall not be deemed to commit the Government to renewals.

ARTICLE IV - CONSIDERATION

In full consideration of the Contractor's performance hereunder, NRC shall provide on a cost reimbursement basis all costs up to but not to exceed \$1,000 00.

ARTICLE V - OBLIGATIONS

The amount presently obligated by the NRC with respect to this interagency agreement is \$1,000.00.

ARTICLE V.I- PAYMENT

The NRC agrees to reimburse the EPA during the period of performance for an amount not to exceed \$1,000.00 for services described in Article I above. EPA will invoice NRC for actual costs incurred. Invoices should be submitted to:

ARTICLE VII- SPECIAL PROVISIONSVII.1 - PROJECT OFFICER

John C. Panzarella is hereby designated as the Contracting Officer's authorized representative (hereinafter called Project Officer) for technical aspects of this agreement. The Project Officer is not authorized to approve or request any action which results in or could result in an increase in the agreement cost; or terminate, settle any claim or dispute arising under the agreement; or issue any unilateral directive whatsoever.

The Project Officer is responsible for: (1) monitoring the Contractor's technical progress, including surveillance and assessment of performance, and recommending to the Contracting Officer changes in requirements; (2) interpreting the scope of work; (3) performing technical evaluations as required; (4) performing technical inspections and acceptances required by this agreement; and (5) assisting the Contractor in the resolution of technical problems encountered during performance. Within the purview of this authority, the Project Officer is authorized to review all costs requested for reimbursement by the Contractor and submit recommendations for approval, disapproval, or suspension for supplies or services required under the agreement. The Contracting Officer is responsible for directing or negotiating any changes in terms, conditions, or amounts cited in the agreement.

For guidance from the Project Officer to the Contractor to be valid, it must: (1) be consistent with the description of work set forth in the agreement; (2) not constitute new assignment of work or change to the expressed terms, conditions, or specifications incorporated into this agreement; (3) not constitute a basis for an extension to the period of performance; and as stated above, (4) not constitute a basis for any increase in the agreement cost.

VII.2 - INSPECTION AND ACCEPTANCE

Acceptance of the services and reports to be delivered herein will be made by the Project Officer.

VII.3 DISSEMINATION OF CONTRACT INFORMATION

The Contractor shall not publish, permit to be published, or distribute for public consumption any information, oral or written concerning the results or conclusions made pursuant to the performance of this agreement without the prior written consent of the Contracting Officer. (Two copies of any material proposed to be published or distributed shall be submitted to the Contracting Officer.)

Sincerely,

Joyce Perlman
