Docket No. 40-341

General Services Administration
ATTN: Mr. W. R. Campbell, Jr.
Acting Assistant Commissioner
Office of Stockpile Management
Federal Property Resources Service
Washington, D. C. 20406

Gentlemen:

This refers to your letter dated August 22, 1980 requesting our concurrence that one of your buildings, Building 921 at Curtis Bay, Maryland, be released for unrestricted use. Based on a review of your survey, we believe that these data indicate that contamination levels are within current NRC guidelines for release for unrestricted use. However, you are advised that, prior to actual release, permission must be granted by the NRC Materials Licensing Branch, Washington, D. C. 20555.

Sincerely,

John D. Kinneman
