Dear Mr. Stello:

The letter to you from Mr. D. E. Guilbert, Vice President and General Manager, Nuclear Power Generation Division (NPGD), dated September 24, 1980, transmitted revised NPCD Procedure NPG 1707-01 (Rev. 9); that procedure was revised in response to your letter to Mr. Guilbert of July 9, 1980.

We are enclosing a corrected page 4 of that procedure. The corrections consist of a renumbering of the flow sheet steps to maintain number continuity with the steps on the previous page. There are no changes to the procedural steps or description. We regret any inconvenience caused you.

Yours very truly,
