FREEDOM OF INFORMATION
ACT REQUEST

FOIA-80-495

rec'd 10-2-80

for NOE

Dear Freedom of Information Officer:

Pursuant to the Freedom of Information Act, 5 U.S.C. S552, as amended, the Nuclear Information and Resource Service (NIRS) requests the following document:

A memo titled: "Results of Discussion on Fuel Assembly Response to Mechanical Loads". Written by R.O. Meyer to R. Tedesco (Nuclear Regulatory Commission), dated February 2, 1979.

In our opinion, it is appropriate in this case for you to waive copying charges, pursuant to 5 U.S.C. S552(a)(4)(A) "because furnishing the information can be considered as primarily benefiting the general public." Nuclear Information and Resource Service is a non-profit public interest organization interested in providing information on nuclear power issues to the public.

Thank you for your prompt consideration.

Sincerely,

Coral Ryan

Re: 08188013H

Dear Ms. Ryan:

This is in response to your letter dated August 13, 1980, and received in this office on August 18, 1980. Pursuant to the Freedom of Information Act (5 U.S.C. §552), you requested a copy of the memorandum dated February 2, 1979, from R. O. Meyer to R. Tedesco, Nuclear Regulatory Commission, entitled "Results of Discussion on Fuel Assembly Response to Mechanical Loads".

We have forwarded your request to J. M. Felton, Director, Division of Rules and Records, U. S. Nuclear Regulatory Commission (NRC), Washington, DC 20555, as we are unable to locate an employee named R. O. Meyer in the Department of Energy and feel that perhaps the memo you seek may be at the NRC.

Sincerely,

Original Signed by
Milton Jordan
