Dear Mr. Felton:

I am writing to make a Freedom of Information Act request for access to documents and other materials concerning the application of 10 CFR §170.12(b) to applications for power reactor construction permits and operating licenses which are withdrawn by the applicant. More specifically, I am interested in gaining access to the following items:

- a.) All documents and materials relied upon, related to or used in the preparation of SECY-80-364, a consent calendar item dated August 4, 1980;
- b.) All documents and other material related to any instances in which the Commission either directly or through its License Branch has sought to recover a fee in connection with a withdrawn application for a power reactor construction permit or operating license; and
