SUBJECT: QA Topical Report B&ROE-COM4-1-NP-2A  
Submission of 35 Copies

October 23, 1980

United States  
Nuclear Regulatory Commission  
Washington, D.C. 20555

Attention: Mr. Walter P. Haass, Chief  
Quality Assurance Branch  
Division of Engineering

Dear Mr. Haass:

Enclosed please find the required copies of Burns and Roe, Inc. QA Topical Report, No. B&ROE-COM4-1-NP-2A, which incorporates all responses made during your staff review.

At this time, Revision 2A will not be applicable to any plants as the Topical Report is not referenced in any Safety Analysis Reports.

The assistance given during the course of this review by your staff is greatly appreciated.

Very truly yours,

William P. Rausch  
Director of Project Support  
and Quality Assurance
