Freedom of Information Act Request

Dear Mr. Donoghue:

This is a request pursuant to the provisions of the Freedom of Information Act, as amended, 5 USC § 522, and the regulations of the Nuclear Regulatory Commission in 10 CFR Part 9.

We would like the document(s) listed on the attachment to be placed in the Public Document Room, 1717 H Street, Washington, D.C.

Thank you

Sincerely,

Lynn Connor

① The guidelines used by
the load forecast panel
which visited twenty-
two sites to establish
a model for construction
completion. (I have
seen the "Methodology for
establishing fuel load dates
for reactors under construction"
and this report implies
that there are further
guidelines.)

P.S. I believe Wm. Lovelace
is involved with this.

Thank you.
