Re: Conoco Inc. Sand Rock Mill Environmental Report, U.S.
Nuclear Regulatory Commission Docket No. 40-8743

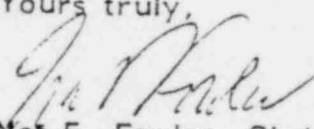

Dear Mr. Quigley:

This Board has found your report on the Sand Rock Mill to be interesting and informative. We appreciate the opportunity to comment on those elements of the report bearing on Natrona County.

With this notice, the necessary planning can be accomplished to reduce any impact on the County.

This Board will be represented at your hearing on October 16, 1980.

Yours truly,

Nat E. Fowler, Chairman
Natrona County Commissioner
