October 23, 1980

Harold R. Denton, Director  
Office of Nuclear Reactor Regulation  
United States Nuclear Regulatory  
Commission  
Washington, D.C. 20555

Dear Mr. Denton,

I would like to know if the N.R.C. is supporting any on-going research on techniques for decontamination (especially in urban areas) of radiocesium and other isotopes following a hypothetical large release of radioactivity from a nuclear reactor.

Sincerely,

Jan Beyea  
Senior Energy Scientist
