Yankee Atomic Electric Company  
Attention: Mr. G. Carl Andognini  
Assistant to Vice President  
20 Turnpike Road  
Westboro, Massachusetts 01581

License No. DPR-3  
Insp. No. 50-29/74-12

Gentlemen:

This refers to the inspection conducted by Mr. Sanders of this office on September 17-18, 1974 at Rowe, Massachusetts of activities authorized by AEC License No. DPR-3 and to the discussions of our findings held by Mr. Sanders with Mr. Jones at the conclusion of the inspection.

Areas examined during this inspection included: displacement of the safety injection system pipe hangers, installation of hydraulic restraints to the pressurizer, plant modifications for the effects of a postulated pipe break outside containment and thin wall valve verification program. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no violations or safety items were observed.

In accordance with Section 2.790 of the AEC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Q

No reply to this letter is required; however, should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

Robert T. Carlson, Chief  
Facility Construction and Engineering  
Support Branch
